Hi Ellen,

Thank you for the quick reply. We will procure the Big Belly per the HC5 specifications in black color.

Also attached are the proposed receptacle locations we received from the BID. Please let us know if this is still accurate.

Thanks,  
-George

George,

Thank you for assisting the Little Tokyo BID with this project. The specifications as shown (HC5) are consistent with our understanding. Preferred color: Black.

Please advise should you need additional information or have questions.

We eagerly look forward to the arrival of the receptacles.

Ellen Endo

**Subject:** Re: Big Belly Trash Cans

Hi Joanne,

The contractor has submitted the big belly compactor specifications. Can you please review and confirm this is what the Little Tokyo BID would like? Please kindly reply by tomorrow, 4/25/18. Is there a preferred color? The options available are blue, black, and green.

The anticipated installation date will be Fall 2019 towards the end of our project.

Thanks,  
-George

Hi George,

Is there an update on when we might see the Big Belly installation date? We will be having a meeting this week and I'd like to give them an update.

Thanks!

Joanne

Hi Joanne,

The construction contract was awarded at the end of December. It'll be about mid-February before we get the contractor's construction schedule. By then, we will have a time frame of when the Big Belly trash cans can be procured and installed. When it comes closer to the actual Big Belly installation date, we will schedule a meeting to discuss transferring the maintenance, operations, and details with the Little Tokyo BID.

Thanks,

George Huang, P.E.

Hi Adrian,  
Just checking to see about the status of the Big Belly trash cans for Little Tokyo. My understanding is that they would be installed the beginning of the year. Is that still on schedule?

Thanks.

Adrian and George,

Sorry I could not open the link. But if Ellen agrees, I'm sure they are fine. She was the one that was taking the lead on the selection.
